

IMPORTANT DATES

PSS will be conducting mandatory testing for all students and staff to ensure a safe learning environment. Please register your child at their school testing site.

1. Testing is free for all PSS staff and students.
2. Registration is quick and easy, and help is available at your child's school.
3. Results are ready in less than 24 hours and sent to the email on file when registering.
4. A school code must be used to register and will be shared by your school.

For more information, please contact your child's school directly.
